

January 2012 Activities

This month your child will be exploring and making things that begin with the letters A, N and M. However, our primary themes will be outer space and nursery rhymes. The children will learn about these themes by making various hands-on projects with interactive activities. Many of the activities are supported by take home projects. The program presented to your child this month, included the following:

Program Themes:

- ★ Outer Space - Moon Day★
- ★ Your Nose Knows★
- ★ Nursery Rhymes ★
- ★MLK Day ★
- ★ Star Days ★
- ★ Color Blue ★

Numbers, Letters, and Community Helper:

- ★ Letters A, N, and M ★ Number 8 ★
- ★ *Occupational Vest - Astronaut with Interactive Story Book* ★

Special Art and Craft Activities:

- ★3-D Star ★ Shuttle Flyer ★
- ★ Astronaut Star ★ Apple Collage ★
- ★ Nut Man Puppet ★ Monkey Stuff ★

This program has been designed to teach, reinforce and enhance your child's early educational development. As always, parental interaction is an important part of a child's educational experience. Thank you for letting me care for your child, and help him or her experience the fun and joy of learning. If you have any questions, please let me know.
